### Introduction

The 2017-2018 year was successful for our chapter. 18 new Pharm.D. students were initiated. Additionally, the Annual Quiz Bowl was executed with excellent attendance, and a tutoring session was held for first year pharmacy students.

**Meetings** Please provide information on meetings held in the following tabular format

Date	Attendance	Agenda	Action Steps
2017-05-19	7	General Meeting: Volunteers met to discuss a tutoring session for first-year pharmacy students (Class of 2020).	Plan structure of tutoring session, assign topics to review prior to session
2017-05-26	5	General Meeting: Finalized structure and presentation of upcoming tutoring session.	Reserve room for tutoring session, advertise upcoming session, finalize presentation
2018-02-07	3	Officer Meeting: Began planning for upcoming Quiz Bowl	Create flyers for Quiz Bowl, e-mail OHSU Student Center Coordinators, promote Quiz Bowl to all OHSU professional students.
2018-02-15	3	Officer Meeting: Finalized Quiz Bowl plans	Coordinate catering pick-up, reserve media room at Student Center, and coordinate event set-up and tear-down.

**Strategic Planning:** What goals were set that relate to the Rho Chi mission?

This year, our goals were to continue to plan and execute our Annual Quiz Bowl, and to continue improving our intellectual leadership activities by providing study guides and a new tutoring session.

### Activities

This year, we held our 9th Annual Rho Chi Quiz Bowl on March 7th, 2018 at the OHSU Student Center in Portland, Oregon. The Quiz Bowl is a jeopardy-style event that encourages friendly inter-professional competition between various healthcare professional schools and tests their knowledge of health related topics. All OHSU professional students (nursing, medical, dental, pharmacy, graduate, and public health) were encouraged to participate and form teams of 3-4. A

total of 7 teams participated and pharmacy was well represented. First prize was awarded to a team of medical students, with pharmacy and nursing teams placing second and third.

Jeopardy-style questions were selected from voluntary submissions by faculty from the different professional schools. A variety of categories were included in this year's Quiz Bowl, such as anatomy and physiology, medical abbreviations, dental, and healthcare law and policy. Prizes included \$50 gift cards for the top placing team, \$30 gift cards for the second-place team, and \$20 gift cards for the third-place team. Catered dinner was provided for all event attendees.

The Rho Chi Beta Chapter additionally began a new type of intellectual leadership. We held a review session for the Class of 2020 that focused on a notoriously difficult final exam. Rho Chi members who had been successful in the course in the past were asked to volunteer to create a comprehensive review for a section of the course material. These individual reviews were compiled into a complete document and sent to the entirety of the Class of 2020 (as a study guide for the upcoming test) and 2019 (as a review document and resource). The review session was held on May 29, 2017 and there were 43 students in attendance. The information was well-received and attendance was excellent for this first-time event. Another review for the class of 2021 is already being planned.

### **Financial Budgeting**

Funds were secured from the OHSU All-Hill Council and the OSU College of Pharmacy Executive Council for the Annual Quiz Bowl held on March 7th, 2018. Rho Chi Beta Chapter appreciates the support from the OSU College of Pharmacy and OHSU for helping fund our event this year.

### **Installation Function**

Initiation took place on April 13th, 2018 at the Bridgeport Brewpub in Portland, Oregon. The Dean of OSU's College of Pharmacy, faculty, alumni, Rho Chi members, and family and friends attended the event to celebrate the achievements of our new members. For our speaker, we invited Pat Chase, Pharm.D. Dr. Chase has been involved with furthering pharmacy education in many ways. She is currently on faculty at OHSU, and recently retired from a position as the Dean of the School of Pharmacy at West Virginia University. The event was held at the same location as last year due to the overwhelmingly positive feedback received in 2017.

### **Evaluation/Reflection**

The comprehensive review document and tutoring session that we offered to the Class of 2020 was a huge success. We received positive feedback from students and many benefited from this new activity. The Quiz Bowl was also successful for yet another year. We hope to continue both activities in the future.

For next year, we hope to introduce even more activities within our Chapter, including some fundraising events or community service work. Fundraising ideas have not been implemented thus far and we hope to focus on these activities early on in the 2018-2019 school year.

Another event we hope to implement in the future is another review session for students nearing the end of the didactic portion of pharmacy school. A faculty member at OSU/OHSU initiated some reviews of common drugs to prepare students for APPE rotations. Our chapter hopes to participate in, and expand these reviews, in the coming year.
