11/16/2017		\$178.44	\$1633.56	Paid for food/drinks at initiation ceremony

Balance of \$1633.56

### **Installation Function**

Initiation took place at the Bill Gatton College of Pharmacy with 37 people in attendance. The population was made up of 17 new inductees, 2 faculty advisors for Rho Chi, the head of department for the pharmaceutical department, family members of the inductees, current members and the 5 current officers of Rho Chi. The opening speaker was Dr. Covert who is one of the advisors and then the rest of the speakers were current officers. Photographs were taken by a current member since the Historian was part of the speakers. There was a reception that followed with food, a Rho Chi cake and soft drinks.

### **Evaluation/Reflection**

The main event carried out was participating during the pharmacy week (in October 2017) in partnership with Phi Lambda Sigma to provide students with accurate and current information as to how to select rotations in the 4th year that will match their career goals. We also provided information on requirements of the different rotations and how to prepare for these rotations and get the best out of them. Students asked questions about career goals and how to apply for residencies. We provided these information as well as give them helpful websites on how to secure a residency.

We could have printed out materials with a summary of the information and we could have played videos that were brief but also impactful to better drive home our points.
