### **Introduction**

The Rho Chi Honor Society at UF had the opportunity to grow as a society this year in 2018 to achieve one main goal. Our main goal was to serve our fellow pharmacy classmates by offering tutoring services and stay communicated with each other from the three different campuses. We were able to create social media, including Facebook groups. We were also able to have a very successful induction ceremony. From this, we aspire to continue growing as a society and add more activities in the future.

**Meetings** Please provide information on meetings held in the following tabular format

Date	Attendance	Agenda	Action Steps
2018-04-21	All new members and current officers	Induction Ceremony	To induct new members

**Strategic Planning:** What goals were set that relate to the Rho Chi mission?

This year we wanted to make sure we continued with rho chi tutoring that was previously a big hit in the past. We wanted to make sure that many UF students were offered this opportunity to get help with academics.

### **Activities**

This year we did a really good job continuing to offer tutoring to pharmacy students. The majority of candidates that benefited from this service was the first year pharmacy students. They really enjoyed receiving help and advice from upperclassmen. The rho chi members were able to get this new experience and help out.

### **Financial Budgeting**

Financial budgeting document will be attached.

### **Installation Function**

April 21, 2018 at the HPNP auditorium
