 3. Audit Committee: S. William Zito (Chair)-
 - i. Bradley A. Boucher presented the report. Finances are in good order.
 - ii. Dr. Zito is retiring this fall so a new chair of the finance committee will need to be identified.
 - iii. The national office staff will investigate if there are any considerations regarding state of incorporation before a new chair is selected
 - iv. Dr. Jo Ellen Rodgers has served on the committee and was offered as a possible chair candidate.
 4. Nominating Committee: Immediate Past President Paul W. Jungnickel (Chair)
 - i. Paul W. Jungnickel presented his report- stating he was pleased with the slate of officers on the ballot this year. There was an acknowledgement that each regional councilor position only had one candidate. Numerous individuals were contacted but declined to run.
 - ii. The lack of financial support for board members was discussed as a possible reason for lack of candidates. Dr. Jungnickel did not think that prevented any candidates this year but acknowledged that may be an issue.
 - iii. A suggestion of an open call be placed for nominations versus relying on word or mouth and referrals.

- iv. Dr. Boucher will be chairing the nomination committee in 2019. The open positions will be regional councilors from odd-number districts (I, III-E, III-S, III-W, V, VII).
- 5. Chapter Awards Committee: President-Elect Susan M. Meyer (Chair)
 - i. Chapter Awards
 - The earlier timeline worked well this year
 - The review was conducted in two rounds- within division then among division winners
 - The rubric worked well to assess reports
 - The prepopulated information in assessment form helped the process
 - The reviewers appreciated the individual assignment lists provided by Dr. Meyer
 - ii. Chapter Project Awards
 - Only getting an average of two proposals per cycle and funding two proposals per cycle
 - Discuss about deadlines currently June and Feb. May need to revisit why there are two cycles. Perhaps one deadline in the late Fall would allow more time for chapters to prepare proposal.

 - May need to revise deadline and increase awareness
